25X1				
5 25X1	Beginning at noon on 24 March, new units started arriving in Schweinrich from the direction of Steinberge, Vehicles 32 armored personnel 25X1 carriers with covered weapons, 18 armored personnel carriers towing four-barreled AL guns,			
25X1	and 50 trucks each occupied by about 25			
25X1	troops wearing red-bordered black epaulets. The unit went to the Hemmelstell area in Jagen Nos 115 through 120. At about 12:30 p.m. on 26 March, 12 BA=64 armored scout cars arrived in Neu-Glienicke from the direction of Neurupoin.			
25X1	east section of the Schweinrich troop training grounds.			
25X1	The arrival in this area on 17 Merch of units of the 94th Gds Mtz Aifle Div reinforced by corps and army troops had already been indicated in the reference			
25X1	report. Movements mentioned in paragraphs 1 through 4 are rather safely believed mainly to have involved units of the Third Shock Army, whereas the routine firing practice on 18 March is believed to be ve been held by units of the Second Gds Mech Army. The departure of troops from the Dranse, Wittstock, Pritzwalk and			
25X1	Kyritz railroad stations has repeatedly been reported. The troops which arrived by road on 24 March, belonged to the 10th Gds Tank Div			
25X1	Compare with observations in Neuruppin on the same day by another source.  These units probably were to represent the enemy force in an exercise of the 6th Gds Mach Div which started in the Mirou property.
